

The Spirit of Giving Club raises more than \$100,000!

Twenty-two percent of Mercy employees joined the 2011/2012 annual employee giving campaign, The Spirit of Giving Club and together reached their goal of raising \$100,000. Each member was allowed to choose from the following projects to fund: The Mercy Pavilion at Truxtun, the new emergency rooms at Mercy Southwest Hospital and Community Outreach.

Many of our employees opted to join the 1910 Society and donated a half hour of pay per pay period. In addition, this year we added a new giving level - The Circle of Mercy. This is our premier level of giving with each employee contributing at least 1% of their pay per pay period.

Thank you to ALL of our Spirit of Giving Members!

Mercy's New Century Campaign Building Tomorrow's Traditions

The Friends of Mercy Foundation will launch a new \$1 million capital campaign to renovate and expand Mercy and Mercy Southwest Hospitals.

In 1910, the Sisters of Mercy established Mercy Hospital and brought their ministry of hospitality, spirituality and compassionate care to our community. More than 100 years later the tradition of providing quality healthcare to generations of Bakersfield and Kern County families continues.

Healthcare delivery is changing and Mercy is well positioned to embrace a new century of providing quality compassionate care to those we serve. Mercy's New Century Campaign will include:

- ~ The expansion of the Emergency Room at Mercy Southwest Hospital*
- ~ The remodel of the Neonatal Intensive Care Unit at Mercy Southwest Hospital*
- ~ The Mercy Pavilion at Mercy Hospital, which will house the new Bidart Chapel*
- ~ The Board Room at Mercy Hospital*
- ~ The New Main Entrance and Registration at Mercy Hospital*
- ~ The CHW Community Wellness Center*

We invite you to be part of our campaign and help us build tomorrow's traditions as we continue the legacy of giving that our community leaders established more than 100 years ago.
